

Michele Addington

I have lived in La Jolla for 13 years and have been involved in Community Affairs for as many years: I was on the Pacific Beach Community Planning Committee 1991-1994 - I lived in PB in those days.

I have been a Town Council Trustee for 4 years, was Chair of the Xmas Parade 3 years ago, am an active participant in Parks & Beaches Subcommittee, and am the Secretary of the Beautification Committee.

I love La Jolla because it is a bit like the town I was born in Nice, France: it just happens that the Winters here are more climate.

I work full time as Treasurer (my background is finance) for a local company and therefore the time I commit to our Community is truly because of my deep affection for our Community.

I understand and welcome differences of opinions, I like to work with all groups within the Community for its benefit.

I know that there will be a learning curve for some time but I am dedicated to learning: attending subcommittees meetings and getting involved.

My attendance at CPA meetings has been very good, I do stay until the end of the meeting - yes even until 10:00PM.

I have helped at election times with Ballot counting.
