Experience in Civic Affairs: Four years on the Board of the La Jolla Shores Association (1999-2003), including one year terms as Vice Chairman and Chairman.

Currently a Trustee of the La Jolla Town Council  
Ten (10) years as a voting member of the La Jolla CPA.  
Member of the Torrey Pines Road Safety Coalition (2001)  
Involvement with various La Jolla community projects.  
Host of the Annual La Jolla Summer White Party.

As a Trustee of the La Jolla Town Council I was the maker of the motion opposing paid parking in The Village.

As Chair of The La Jolla Shores Association in 2002 I led the effort to gain unanimous opposition to Site 653 from all the La Jolla planning groups (cooperation among these groups was uncommon at that time).

I have assisted the Hidden Valley / Ardath Road residents in organizing themselves with regards to the proposed Chabad expansion.

I am a strong proponent of fair and open representation for the neighborhoods and communities and am completely opposed to “back-room deals”.

I believe we have the most representative CPA Board in years and I would be proud to become a part.

If you want someone who will speak their mind and try and look out for what’s fair and right then you should vote for me.
