

Gregory Scott Salmon

I have lived in La Jolla Shores for the past 15 years, with my wife and 2 children age 4 and 2. As a member of the La Jolla Shores Association for the past six years, I serve on the Parks & Beaches Committee supporting "The Map" project and Co-chairing the Kellogg Park Playground Renovation project. Other volunteer positions have included membership on the Board for the Salk Excellerators and Vice President for the International Cooperative Nursery School.

I am President of Upstream, Inc., a private investment company since 2002. My all-time favorite job was a 10 year stint as a seasonal Lifeguard for the City of San Diego...especially the time I spent teaching in the Junior Lifeguard program.

My passion is the ocean and you can usually find me surfing at the Shores or sharing my love for the ocean with my family.

I would like to have the opportunity to serve on the CPA in order to represent the interests of the residents of the Shores and work to make La Jolla a better place for all to live, raise our children, and retire.
